COMMUNITY UPDATE #3

THE NEW BIRCHES

June 7, 2023

We are very pleased to announce we have a signed “offer to purchase” in place for the new build of Twin Oaks Senior Citizens Association (aka “The Birches”)

We are now entering the phase of testing to affirm that the site is appropriate and can sustain our water needs. To proceed with that work an access road needs to be built by the owner which we anticipate starting any day.

The site for the new home will be integrated into the plan for the Harbour Garden Village in Musquodoboit Harbour. The location is located to the north of the Tim Hortons/Shell station.

We are delighted to be working in partnership with the team at Harbour Garden Village to bring new innovation to the local community.

Rick Anderson & Dion Mouland-Pettipas
